Another summer in Palm Beach Gardens. Same old, same old, right? Higher temperatures (with lots of “bad hair” days!), hurricane watches, no waiting on lines to eat in our favorite restaurants. So why does everything feel so “new?”

All of us have spent well over a year trying to become adjusted to living in virtual isolation, apart from beloved family members, close friends, and even physically apart from the strangers on checkout lines in front of us. Comfy athletic wear was our preferred mode of dress, and the biggest fashion statement that any of us could or would make was the purchase of a funky, patterned face mask. So, after what seems like forever, it does feel “new” and wonderfully liberating for many of us to now be able to spend time with (yes, yes, yes, in person!) the people that we know and care about. It feels “new” to finally be back in the familiar and warm environment of our sanctuary, enjoying Shabbat services together. And it really is “new” that live-streaming will now be a permanent part of the way we reach some of you, allowing those who are geographically distant or otherwise unable to attend in person to participate in Shabbat services.

This month brings with it a new temple year, and with it, a newly reconstituted Executive Committee and Board Of Trustees, ready and excited to begin their work. This year, these two groups will be led in a “new” way, by four Special Executive Officers. The four of us have spent quite a bit of “special” time with each other recently, in an attempt to achieve a smooth transition to our “new” responsibilities.

This time together has been important to our growth as a team. We have already learned so much...Each of us has a wonderful story about what brought us to Temple Beth David, and how we are fulfilled by our relationships here. Each of us brings different and interesting strengths and skills to our group. Each of us brings our own individual perspective and unique viewpoint to every situation that we discuss, and every question that we consider.

As exciting, though, has been discovering the many things that we share in common. We share a pride in being Jewish. We share a love for and deep commitment to Temple Beth David. And we all believe that, in our new roles, leading the congregation really means serving the congregation, and that it is, indeed, a high honor to serve. Our promise going forward is to work side by side, with quadruple the energy, quadruple the commitment and quadruple the enthusiasm to help build a strong, vital new chapter for Temple Beth David.

Lastly, this month also brings us a renewed and deeper relationship with our dear Cantor Bensimhon, who is now our spiritual leader. We are excited to be working closely with Cantor Danielle as she, together with our Board and other lay leaders, develops new pathways toward fuller engagement with our congregation and the greater community. In the past, she has offered us support, optimism and inspiration, along with her beautiful voice; in the future, we know that her leadership will center our congregation on building a learning, loving, warm and caring community.

May we go from strength to strength.

Barbara, Debra, Linda & Lisa

*I am my beloved's and my beloved is mine (Song of Songs 3:6)*

Spring is perennially a time of Pesach and counting of the Omer, Shavuot, blossoming flowers, children looking forward to camp, birds singing, new beginnings and love.

This spring season came to us with mixed emotions--sad in so many ways following 14 months of the Coronavirus Pandemic. Many of us continue to mourn and grieve for those we tragically lost, and we pray for the healing of those affected. And, just when we thought we could sigh with relief and look to brighter days, we worried for our loved ones in Israel as rockets rained upon them day and night, about antisemitism all around us, and now we grieve for the community of Surfside and pray for healing.

One thing Judaism teaches us is that it's always darkest before the dawn; but, following sorrow there is always sweetness. Psalm 126:5 relays: *We plant with tears in our eyes, and we harvest in joy!*

First came vaccines and the opening of many things, including TBD. Some of us were able to reunite with family--with our children and grandchildren--and hug for the first time in so long. Some of us are cautiously traveling this summer, going to restaurants and to concerts. For me, this spring brought a celebration of love under the Chuppah on a beautiful Sunday in May, when Marc and I were married on the 12th of Sivan, 5781 (May 23, 2021), following a joy-filled Shabbat with all of my TBD family.

We were so happy to have been able to share our joy and be surrounded by so much love. Marc and I will always hold dear, and remember happily, the dancing and singing of *Siman Tov u'Mazal Tov* by everyone around us at *Beach Shabbat* (along with the decadent cupcakes!) which unofficially kicked off our wedding weekend with so much beauty, love, and joy. Our *Auf Ruf* Shabbat morning was such a special day, as Temple Beth David presented Marc with a new tallit (which we were wrapped in, and together became one, beneath the Chuppah the following day). We were overwhelmed with both the dedication of a "boulder" in honor of our marriage and wedding, along with a custom piece of art by Rabbi Matt Berkowitz commissioned in our family's honor. We are still smiling with joy from all of the love we received; you made us feel so very special.

Our Chuppah ceremony the following day was beautiful and intimate (kept small for safety's sake); and, knowing so many of you were in attendance virtually filled my heart with so much love. Temple Beth David graciously allowed us to joyously honor the day with a small luncheon where we danced the *horah* with our families. *Though it was a smaller ceremony and celebration than we would have liked, it was sufficient! We thank the leadership of Temple Beth David for allowing us to say our vows and to celebrate with our family. We thank the entire congregation and staff of Temple Beth David for your outpouring of love and support and your tremendous chesed, loving-kindness and compassion. You have filled both of our hearts with an eternal love and joy in a way that only a family can do. It is these moments that represent the best of TBD, where we rise from darkness, move into the light, and join together to honor the virtues and values that Temple Beth David holds sacred: Torah, family, love, kindness and the celebration of the most holy of Jewish lifecycle events together.*

Thank you for all you have done to make us feel so special as a couple. Thank you for sharing in, as well as, making the light of our love grow brighter and stronger each day as we pray and celebrate together. Thank you for taking us both into your hearts and home as one. Thank you for being our family!

With love,

Cantor Danielle and Marc

We are very happy to be having camp this summer! Each week has a different theme and the children participate in art, cooking, science, music and water play, which is their favorite! It is so nice to see everyone having such a good time and there is a lot of excitement every day.

The school year begins on August 16th and our PTO is a wonderful way for parents to get involved, meet new friends, and support the preschool. Positions are being filled and we look forward to a great year of collaboration between the staff and families!

Registration remains open for the Fall and I am happy to answer any questions about school.

Making a Difference.

This year, our Social Action committee came under the Sisterhood umbrella. Our focus has been on Tikkun Olum - repairing the world - in as many ways as we can. We have been successful in feeding those in need in our community through our support of St. George's Feeding Center in Riviera Beach and the South Florida Soup Kitchen and Assistance Foundation. Our TBD family has stepped up to provide PB&J sandwiches twice a month to help these groups.

We have also completed several successful collection drives: canned foods donated to Jewish Family Service, socks and hygiene supplies for South Florida Soup Kitchen and used books for infants through elementary school age. The books were donated to Jupiter Elementary School to help "irrigate book deserts" - homes where children don't have access to books.

In August, we will collect school supplies to help fill the backpacks of students at Jupiter Elementary. The most requested supplies are dry erase markers, composition books, crayons and glue sticks. A collection bin has been placed outside the Temple's office entrance for your convenience.

Thank you to the TBD community for helping to support these initiatives. We invite you to join us in planning for our upcoming service projects. Please contact Renee Kessler at [rbkess@comcast.net](mailto:rbkess@comcast.net) for more information.

## sisterhood@TBD

It has been quite a year for our Sisterhood. With the pandemic, we moved to a virtual format and we're so happy that many joined us for our programs. From the Challah Prince to our Women's Seder and monthly book club, we enjoyed the opportunity to engage and enrich with our TBD sisters. Together, we were able to support each other and we can't wait to be back in person.

### SISTERHOOD

We held our closing program on May 3 where we honored Cantor Danielle as our 2020- 21 Torah Fund honoree. The Women's League Torah Fund campaign supports the institutions that train our rabbis, cantors and educational leaders of the Conservative Movement. It was a wonderful evening where we not only learned about the support Sisterhoods have given to our institutions but we also heard from Sharsheret about creating a caring community. If you would like to support Torah Fund and honor Cantor, you can do so online by using this link: <https://inspired.jtsa.edu/give/314821/#!/donation/checkout>. While we've reached the end of this amazing year, there are still a few events left. We hope you will join us and support:

Book Club - Wednesday July 21st at 10:00 AM. We will be discussing "The Company I Keep - My Life in Beauty" by Leonard Lauder.

School supply drive to help fill the backpacks of students in need - see flyer on page 11.

Plans are underway for the 2021-22 Sisterhood year. Sisterhood is open to all TBD women and we hope that you will consider getting more involved. We welcome your suggestions for programs, encourage you to volunteer to run an event or join our Social Action committee.

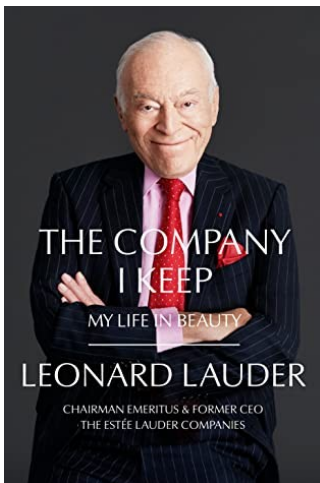

Thank you to the following women who have stepped up as our Sisterhood board for the coming year:

Susan Mark, Karen Winer and Renee Kessler - Presidium  
Terri Lander - Treasurer  
Claire Matalon - Secretary  
Phyllis Kushins - Member at Large

In his much-anticipated memoir, *The Company I Keep: My Life in Beauty*, Chairman Emeritus and former CEO of The Estée Lauder Companies Leonard A. Lauder shares the business and life lessons he learned as well as the adventures he had while helping transform the mom-and-pop business his mother founded in 1946 in the family kitchen into the beloved brand and ultimately into the iconic global prestige beauty company it is today.

The fast day of Tisha B'Av, the ninth of Av, is the day on which both Temples were destroyed; the first in 586 B.C.E. by the Babylonians and the second in 70 C.E. by the Romans.

*It is a Tree of Life to those who uphold it.*

Proverbs 3:18

*HELP OUR TREE BLOSSOM TO FULL GROWTH WITH CELEBRATIONS OF LIFE!*

Temple Beth David's "Tree of Life" serves to celebrate strength and growth in our Temple Families. We do this by purchasing leaves and boulders, and inscribing them with the names of persons and events that we want to celebrate. In addition to having the leaf or boulder placed on our beautiful "Tree of Life", located in the Sanctuary Lobby, the person(s) inscribed will receive a "simcha" certificate.

*Share the joy by inscribing your family's and friends' on the Temple Beth David's "Tree of Life" and give a gift of a permanent dedication to events that have touched your lives.*

## TREE OF LIFE ORDER FORM

*Please note ~ one name per leaf or boulder, for each Simcha or honoree, with the exception of engagements, weddings, and anniversaries.*

I/We wish to purchase:

- ☐ a leaf (4 x 1-1/2") at \$180 up to 50 letters or characters can be engraved
- ☐ a leaf (5" x 2") at \$360 up to 100 letters or characters can be engraved

# Book of Remembrance Yizkor Memorial Book

Dear Congregants and Friends:

Preserving the precious memories of our beloved departed is a Jewish tradition. You cannot choose a finer method of perpetuating the memories of your dear ones than by memorializing their names in the *Temple Beth David Book of Remembrance*. Our book will be available for the four 5782 Yizkor services (Yom Kippur, Shimini Atzeret, Pesach, and Shavuot). For Yom Kippur and Shimini Atzeret, you will be able to access a copy of the book by downloading it on line through a link that we will send you prior to the High Holy Days; for a modest fee, you can also request a printed copy of the booklet, which will be mailed to your home. The book will contain prayers and reflections, as well as the listing of memorial names. It is customary to list the names of parents, grandparents, other relatives, and friends.

Please neatly print on the form below, the names of those loved ones you wish to memorialize.

The donation is \$20.00 for EACH NAME. **Please return by August 25, 2021.**
